## **Thank You, Cancer Prevention Fair Doctors**

The sixth annual Cancer Prevention Fair attracted 225 people who received free cancer screenings for clinical breast exams, skin cancer screenings, visual oral exams, prostate cancer screenings and take-home colon cancer screening kits. The Cancer Center of Santa Barbara would like to thank the hundreds of volunteers who came out and especially the doctors who gave their time.

The doctors who came and volunteered their time include: Skin Cancer Screenings: Lurleen Benzian, MD; Kim Hurvitz, MD; Keith Llewellyn, MD; and Gary Novatt, MD. Clinical Breast Exams: Polly Baldwin, MD; Rosa Choi, MD; Mark Donovan, MD; Kim Grafton, MD; Susan Lawton, MD; and Maud Morshedi, MD. Visual Oral Exams: Quynh Nguyen, DDS; Dianne Tangol, DDS; and Anahita Taraporewalla, DDS. We wish to thank each of these qualified doctors because without their time and expertise, this event would not be possible.

The Cancer Prevention Fair which was held on Saturday, October 24<sup>th</sup> at Cottage Hospital also provided free cancer prevention information on hereditary cancer risk, low cost women's exams, stop smoking courses, community health assistance and cancer prevention diet and exercise tips. The event is a partnership between the Cancer Center of Santa Barbara and Cottage Health Systems in an effort to provide free cancer screenings to the uninsured and underinsured in the Santa Barbara Area.

Since 1949, the **Cancer Center of Santa Barbara** has remained in the vanguard of comprehensive outpatient cancer treatment with personnel from some of the nation's renowned medical programs, the latest science and technology, and integrative wellness and patient support programs. The independent and charitably supported Cancer Center of Santa Barbara has earned a reputation for compassionately serving those on the journey to live with, through, and beyond cancer.
